Ernie Silvers is the driving force behind ***Silvers Connection***, a growing consulting practice focused on connecting people and business with opportunities for growth and profitability through lean concepts, process improvement, education, and training. Silvers Connection specializes in leading mid-sized, small, and family-run businesses through development and implementation of operating systems to maximize efficiency and sustain profitability.

Ernie has more than 25-years of diverse management experience as a CEO as well as operations management, manufacturing, sales and marketing, human resources, and logistics. The bulk of his career has been spent in the automotive aftermarket, which is a 63-billion-dollar global industry.

Ernie is also a Lecturer at the Jack H. Brown College of Business and Public Administration at California State University, San Bernardino, CA (CSUSB). Assigned to the Marketing and Management departments since 2014, he teaches undergraduate level courses in Marketing Principles, Organizational Behavior, Administrative Communications, Work Group Management, Small Business Management as well as Leadership and Ethics.

Ernie earned a master's degree in Business Administration from the University of Redlands, Redlands, CA. Ernie is also an active member of Toastmasters International – *Marching Toasters of Moreno Valley*.
